Dear Reader,

We are very excited to announce our special gift to all FEDWeek subscribers that have a Thrift Savings Plan (TSP) or Retirement Account. Today, we are giving away a free hardback copy of Jim Rickards' latest book, The New Case For Gold. (A \$26.00 value).

My name is Adam Barrata, and I am the Co-Founder and Managing Director at Advantage Gold. Jim is a dear friend of ours, and when I heard he was writing a new book on gold, I reached out to him to get a copy rushed to me to read immediately. I can personally tell you that this is a MUST READ.

For those of you who don't know Jim Rickards, he is the nation's most vocal and intelligent proponent of the Gold Standard. Not to mention, he is a National Security Adviser, Pentagon Insider and Financial Warfare Expert. Before writing this book, Jim wrote two *New York Times* best selling books, The Death of Money and Currency Wars.

Inside The New Case For Gold, Jim turns his attention to the everyday American and how he can use gold (the #1 asset in a currency crisis) to not only survive, but thrive in the coming dollar fallout.

**We are so convinced this book will change your life...  
This is what you will learn:**

- How to Protect Your TSP or Retirement Account from the coming dollar collapse
- The single greatest 'BUY' indicator EVER devised for gold.
- A step-by-step walkthrough of one of Jim's most powerful CIA prediction techniques
- The Chinese gold warfare plan that could bring U.S. dollar holders to their knees
- Are you making the #1 gold-buying mistake?
- And much, much, much more...

The time to buy gold is NOW and this book is the perfect guide to help you protect your retirement from a pending financial crisis. Jim says,

"When the collapse happens, it's going to happen quickly. You won't see it coming. There won't be time to run out and buy gold, and it probably will not even be available at that stage."

Hurry, books are limited...

We only have a limited number of copies to give away, and these books will go fast. If you have an TSP or Retirement Account and want to learn how you can protect your financial future from a pending dollar collapse, then this will be the best gift you ever receive.
